FROM SEED TO HARVEST

Daily life at Gardena High has shown the Mohicans new friends, new classes, and new activities. Each new experience is just a seed sown in our lives that is cultivated and finally harvested in a wiser, more mature individual.

"So long as earth remains,
Seedtime and harvest,
Cold and heat,
Summer and winter,
Day and night,
Shall never cease."
Genesis 8:22

The date was October 29th, 1976 and the grandstands in the Mohican Stadium were unusually crowded. That once a year **Homecoming** game had finally arrived. There were people who came merely to watch the game, but still more came to experience half-time festivities. Cruising about the field in chauffeur driven cars were the homecoming candidates and their escorts. Following the procession was the truck filled with cheerleaders of past an dpresent years. At last the revving of engines had ceased and the 5 girls stood on the platform anxiously awaiting the name of the winner. Then the most important moment came as **Stephanie Isozaki** was crowned the **1976 Homecoming Queen.** The sky became alert with multi-colored fireworks and balloons, and the stands were booming with happy spectators.

Three interceptions by Massey plus interceptions by **Forrest Henry** and **Mauri Taylor** kept the Romans to 90 yards total offense, while Gardena gained 190 yards. **Danny Grant** made 10 unassisted tackles. The win over the Romans was the fourth straight for Gardena.

GARDENA DRINKS BOSCO 15-14

Gardena made it two in a row by edging **St. John Bosco** in the last minutes of the game. The whole first half, Bosco led 7-0. It wasn't until the third play in the second half, that Quarterback **Emzie Massey** ran 80 yards for the Mohicans first touchdown. Bosco came back with another touchdown making it 14-7. The winning Mohican score came with only minutes remaining, when Massey scored from the 4-yard line and completed a two point conversion, making the final score **15-14.**

SAINTS COMMIT A SIN 8-7

In the final game of the preseason, Gardena beat the **Santa Maria Saints** by a score of **8-7.** It was the Saint defense who scored their only touchdown by recovering a Mohican fumble in the end zone. Gardena's score came on a fourth quarter drive that was finished by a 20 yard touchdown pass from quarterback **Emzie Massey** to tight end **Michael Lyles.** With Gardena behind 7-6, Massey made a 2 point conversion to make the final score 8-7.

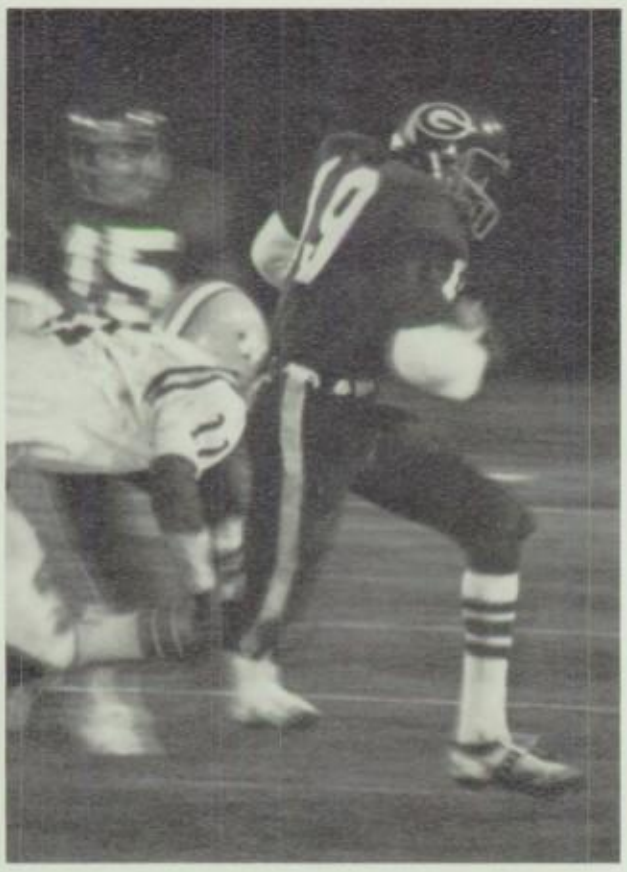
Both of the Pilot's touchdowns were scored by tailback Freeman McNeil. The attendance to this game was the largest Gardena has had in recent years.



GAUCHOS CRUMBLE 11-0

It was the Mohican defense that did the scoring in their **11-0** victory over the **Narbonne Gauchos.** Tackle **Chester Wooten** sacked the Narbonne quarterback behind the goal line for a safety. The second safety came on an errant Gaucho hike that bounced out of the Gardena end zone. Safety **James Allen** intercepted a pass and returned it 33 yards for a touchdown. The successful conversion by kicker **James Reese** made the score 11-0. Interceptions were made by Mohican defensive backs **Markham Watt** and **Marlon Thompson.**

COLTS STAMPEDE 28-15

Gardena was defeated **28-15** by their cross-town rivals, the **Carson Colts.** The Colts got the ball on the opening kickoff and scored in just a few plays. All of the four Carson touchdowns were scored in the first half. The Mohicans did not give up, they shut out the Carson offense in the second half and did some scoring of their own. Tight end **Mark McNamee** and fullback **Rodney Weber** both scored touchdowns, but it wasn't enough to overcome the Colts.

San Pedro scored first and held a 7-0 lead until the third quarter when tailback Emzie Massey scored on a 15 yard run. Junior tailback **Andy Askins** broke loose and ran 25 yards for the other Mohican touchdown. With Gardena winning 13-7 and 5 minutes left in the game the Pirates scored on a 45 yard pass play. This past year has been a rewarding one for the **Lumanais',** the graduating class of 1977. We have encountered many obstacles which will be of great value to us in the future. We could not have accomplished the tasks set before us without the guidance and support of those who strived to help us build our futures and make our dreams come true.

Administrators, Teachers,
and Parents . . . We Thank **You**

Mr. Don Greathouse, Senior Class Advisor since the Spring of 1974 feels that, "working with the most wonderful kids, tomorrow's leaders, is the most exciting experience."

In the spring of 1977, **Mr. Tom Bass** took the duties of Senior Class advisor.

The Seniors topped off the year with a fun-filled Field and Kiddie Day.

SENIOR FIELD AND KIDDIE DAY

Senior Recognition Week was held May 9-13. One of the highlights was Kiddie Day and Field Day, held on Friday the 13th on the Girls' P.E. Field. Events included Relay Games and a Kiddie Contest.

(Top Left) **Zephran Hamlin** wheels **Yolanda Ballard** to the finish line.

(Top Middle) Senior Class Historian, **Lisa Mori,** directs the seniors while Senior Class President, **Stephanie Isozaki,** does the heavy work.

(Top Right) Senior Class Treasurer, **Cindy Koshimizu,** and **Stephanie Isozaki** look at all the cute little kiddies.

(Middle Left) **Eric White** plays "Piggy Back" with **Kim Fractious** at the Senior Field Day.

(Bottom Left) **Madeline West** and friend tug their way to victory.

(Bottom Middle) **Radonna Foley** cuddles **Elston Butler** and **Tony Jones** like the three little bears.

Megan Moses bounces along on her hoppity-hop.

Smiling radiantly is bride **Lori Metoyer** and groom **James Reese** picturing the perfect bridal scene.

Luz Agramonte and escort **James Fleeman** make a lovely couple as they display the latest in bridal fashions.

Exquisitely dressed is **Forest Hen** modeling his white tux and cane.

The 1977 Senior fashion show d played many up-to-date styles in s dent attire. Presented were the lat fashions for prom, Grad Nite, colle days and bridal wear. The show w a success under the guidance of cha person **Lisa Mori.**

LaWanda Staten and **Dwayne Williams** are ready for the wedding in these fashions from Brides of California.

Stacy Hamamoto and **Paul Yoshinaga** watch happily as the bride and groom go by.

Celestine Elder models the latest i Grad Nite fashions.

Stepping out in the latest college attire is **Kim Price** and **Tracy Walton.**

Styling in their Grad Nite Coordinates are **Joe Lee** and **Wendy Yamamoto.**

Yvette Smith poses with one of the latest looks in college fashions.

imon Almarez and **LaTanya Ringer** an't wait to get started in their Grad ite fashions.

An aura of excitement pervaded the California ballroom of the exquisite Bonaventure Hotel on the evening of April 29, 1977.

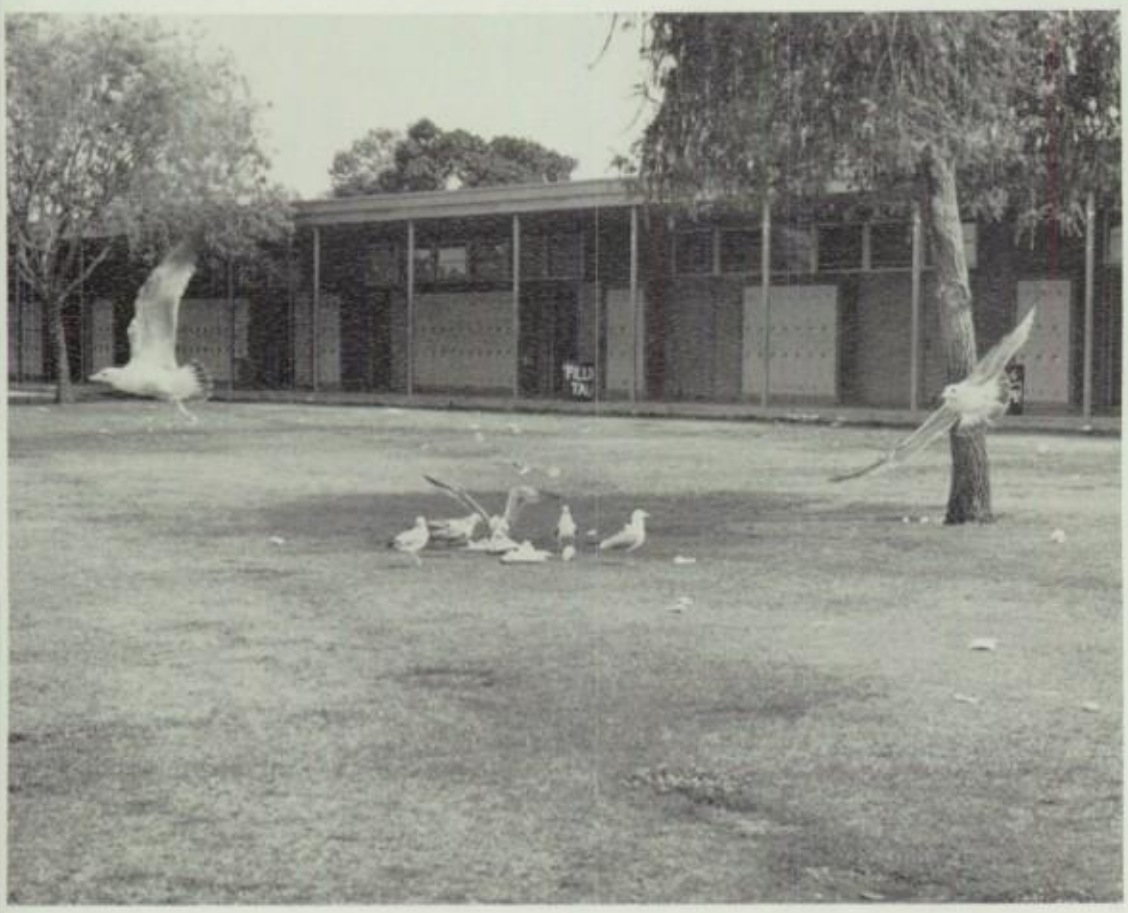
HARVEST TIME HAS COME

Through this past year at Gardena High, each Mohican has reaped his own personal harvest. Many goals were reached, many successes achieved. But we realize that there are many harvests yet to be reaped. . . .

"So long as earth remains,
Seedtime and harvest . . .
Shall never cease."

(Right) After a long day at school, the sight of the buses is a relief. (Below) **Tom Ishimaru** and **Roy Nakahira** are among the students who resumed work on the geodesic dome in the spring semester. We have yet to see the dome's "harvest". (Below Right) Till tomorrow, Gardena!

(Left) With school pressures gone, **Carolyn Ashimine** can take time to relax with a friend. (Below Left) Only seagulls are left to scavenge the lonely lunch area.



1977 EL ARADOR STAFF

Through copy and captions, layouts and columns, pica rulers and rubber cement, these people have helped to harvest this 1977 El Arador.

Mr. Tak Isobe

SHARING

IN THE TOIL . . .

This past school year of 1977 has seen many seeds sown and many harvests reaped. The seed that began the growth of this 1977 El Arador was sown last summer when I attended the Malibu Yearbook Conference at Pepperdine University in Malibu. Distinguished yearbook advisors and instructors lectured, encouraged, and inspired high school yearbook editors from all over southern California. And so the seed of enthusiasm to produce a superior yearbook was sown. I, myself, have put a lot of time into this book, but I've also had many exceptional people working with me this year to finally harvest this 1977 El Arador.

I want to thank **George Van Auken, Ken Wilson,** and the staff at **Franklin Press** for printing our book. I know we made a lot of amateur blunders this year, so I truly appreciate the patience they have shown us, and the excellent work they do.

For the first time ever, our cover was done by **National Bindery.** It was a pleasure working with them; they did a beautiful job.

Mr. Orlando Green deserves a big thanks for handling our yearbook sales and for being tolerant with our mistakes. **Mr. Sil Ledesma** earned an equally big "thank-you" for printing our sales receipts.

The 1977 El Arador is the result of many different parts all working toward a goal, and I was fortunate this year to work with a group of responsible and eager section editors: **Gaye Nakatsu** working on Student Life, **Helene Aoyama** on Faculty, **Doreen Asato** on Sports, **Susan Mayeda** on Clubs and Organizations, **Joilynn Washington** on Underclass, **Lori Metoyer** on Seniors, and **Janis Komai** handling the Advertising. Each worked hard to complete her task, and I hope that the final result is something in which they can each take pride. I especially want to thank **Gaye** who was also my associate editor, for helping me to make many important decisions when I needed that second opinion.

The yearbook could not have been printed without adequate funds, and this year **Janis Komai** helped to raise those funds by heading the advertisement sales. With the help of the staff, **Janis** collected a record $6,535 in ad money. **Janis** had an incredible enthusiasm in initiating the sales, all the while maintaining a completely organized section.

I enjoyed working with four capable artists this year: **Stacy Hamamoto, Patti Tanaka, Steve Tanaka,** and **Mike Chun. Stacy** and **Patty** devised the creative and imaginative showcase displays in the administration building throughout the year. **Steve** took a lot of nagging from me, but even so, managed to produce the cover design and division page drawings. Though he worked hard on the sports section, **Mike** also submitted many division page layout designs and can claim the autograph page logos as his.

We were very lucky to have a "Chinaman" on the staff this year. **Betty Low** organized our "Chinese Butterfly" sale, and was instrumental in making it a success.

Of all the people that I've contended with this year, I think **Paul Yoshinaga** and **Glenn Hamanaka** have had it harder than anyone. I owe much thanks to **Paul** and **Glenn** for the excellent results they were able to produce in spite of my complaining.

The title page, which I am especially pleased with, is the work of **Jon Yoshinaga, Joey Ikemoto,** and **Alpha Color Lab.** This is **Joey** and **Jon's** 5th year working for the El Arador Staff. I admire their devotion to their art and the professional work they do, and I am deeply grateful for all the favors they have done for me.

As he has in every previous year, **Mr. Tak Isobe** handled Gardena High's nearly 800 senior portraits, and also the advertising photographs. I feel very privileged this year in having been able to work with such a talented photographer.

I also want to thank my father, **Harold T. Kobata,** for being at the football games with his camera and for staying up until late hours of the night developing film and printing pictures for me. Both my parents gave me the encouragement I needed to get the book done.

I appreciate the tennis photos that **Mr. Ray Maggard** provided us with, and the Silver Bells photos supplied by **Ms. Flanders.** I also owe a sincere thanks to these contributing photographers: **Mr. Riley Johnson, Mike Yogi, Linda Yogi, Ed Pai, Dennis Yamashiro, Jon Kuroyama David Wei,** and **Steve King.**

Many anxieties accompanied the production of this book, but the person who suffered the most was undoubtedly our advisor, **Mr. Gene Cattermole.** I know that our staff was a difficult one for **Catt** to work with, yet he never gave up trying to give us instruction or advice from his own experience. I really appreciate his patience with the staff and myself, and I know his teachings will stay with me throughout my life.

The responsibility of editor was a much greater one than I had expected it to be when I first agreed to take the job. I found that the organization and leadership aspect was the most difficult, but I gained valuable experience this past year by working with the staff and with Catt. The El Arador was a "labor of love" for me, and I am proud to have done it for Gardena High School.

Love,
Marian Kobata

1977 El Arador Editor

P.S. Another thanks should go to my Friend up there, who is really the One who pulled me through this year!

Nissin Foods is making its mark.

This symbol, with its stylized letter N, is used worldwide by Nissin. In America, this mark appears on two instant noodle products well-known for both quality and convenience: Cup O' Noodles instant hot lunch in a cup and Top Ramen Oriental noodles.

The Nissin mark first appeared several years ago on our Gardena, California processing plant... the first U.S. facility of any food processor from Japan. This plant has recently been doubled in size to accommodate increased demand.

Our heartfelt thanks to the American consumer for making it possible.

"There is nothing more beautiful than a rainbow, but it takes both rain and sunshine to make a rainbow. If life is to be rounded and many-colored like the rainbow, both joy and sorrow must come to it. Those who have never known anything but prosperity and pleasure become hard and shallow, but those whose prosperity has been mixed with adversity become kind and gracious."

Best wishes to the graduating class of '77.

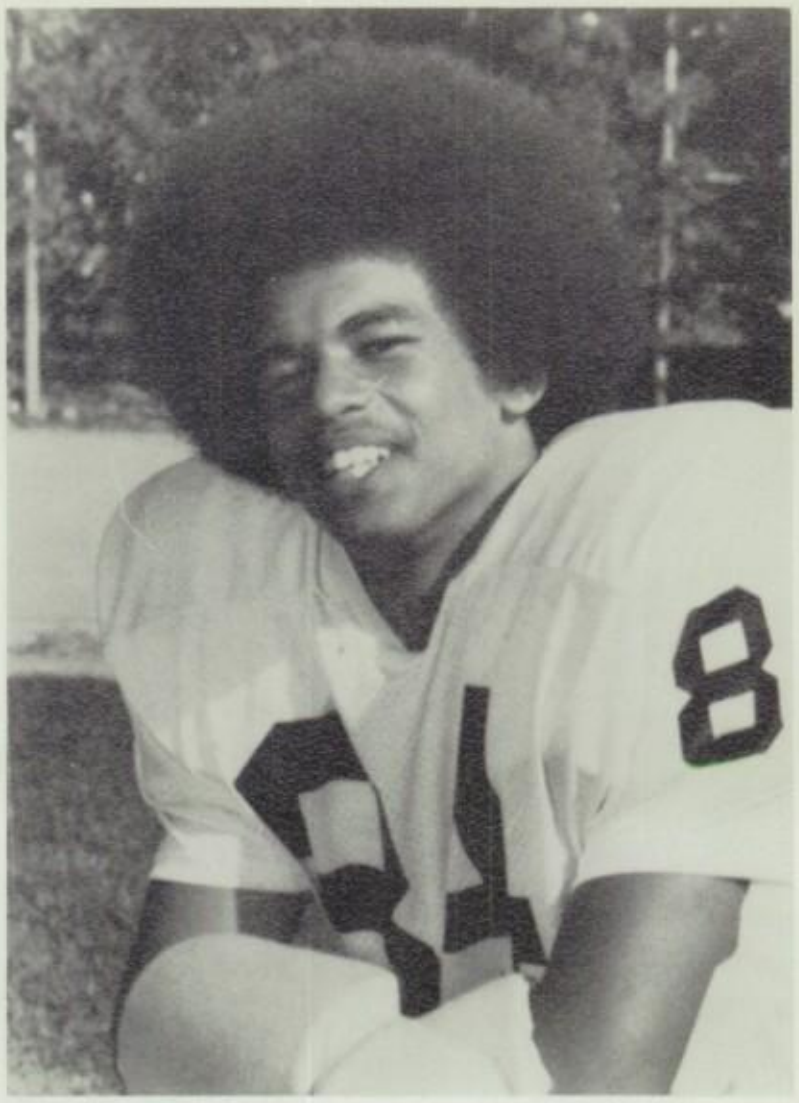
". . . I am here today representing the **Gardena High School Choir** and I would just like to take a few moments to express the way we felt about our leader, **BRADLEY PHILLIPS** and what he meant to us. **Bradley** was the president of our choir, he handled the business of the choir, along with Mrs. Young, our choral director. We elected him as our leader because we felt that he was the person most qualified, he was well known, and we loved him very much. There is a saying that I read once and I thought it would be appropriate here today. It said, "Nothing should be prized more highly than the value of each day." This should instill in us the feeling that everyday that we are allowed to live should be valued more than anything on this earth. **Bradley Phillips** valued that right to live. Everyday of his life, he did something constructive and helpful. He was not a violent person, he did not engage in violent activities. He was one of the few all around good persons in this world today. I'm sure that if Bradley could speak to us now, he would tell us to live each day of our lives in the best way possible. He would want us to keep on striving and pushing until we had done our very best. He would not want us to show a lust for vengeance or revenge, but to go out and show the world the values of living each day, together as one. That would have been the Bradley Phillips way. **Bradley Phillips,** the memories of you will always live on with us in the Gardena High School Choir. May God keep you and may you rest in peace.

We would like to offer this resolution in his memory . . ."

Robert Murray, Choir member



Bradley Phillips

Resolutions

We the members of the Gardena High School Choir – offer this resolution in honor and memory of our beloved and departed leader,

BRADLEY PHILLIPS

We here on the 23rd day of april 1977 resolve that we shall stand together in **his** name and honor to up-lift our voices in songs and praises, that we know our **leader** would be proud to hear us sing. We would like to also offer these words of comfort to the family.

RESTING

I laid it down in silence
This work of mine
And took what God had sent me
A resting time
I took the rest and stillness
From his own hand
And felt this present incident
Was what he planned

There is a blessed resting
In lying still;
In letting his hand mold us
Just as He will
In working or in waiting
May we fulfill
Not ours at all, but only
The Master's will.
